*Descriptive Report of Topographic Sheet  
Vicinity of Entrance to Pocumoke River.*

This sheet was surveyed during April 1905 and shows the topography between the northern limit of sheet number 2647 and the old sheet next above it whose southern limit is in latitude  $38^{\circ}$  north.

For a description of the area shown see the descriptive report for Topographic Sheet number 2647. There are no towns on the area shown.

The Pocumoke River line of steamers make two landings, Pitts Wharf and Cedar Hall, both on Pocumoke River.
