DESCRIPTIVE REPORT

To accompany Topographic Sheet "I", Ahua Pt. to Honolulu Harbor Entrance.
4180

1925. Eoline R. Hand, Chief of Party.

This was a detailed shoreline analysis with particular attention to possibilities of smallboat landings from enemy ships, executed at request of the War Department. As the Hawaiian Department incorporates all the hydrographic and topographic information upon one secret map the information is all in one report, for their convenience: a copy accompanies the hydrographic sheet, No. 9. It is confidential.
